## Company profile

New Travel Services is run by a Sicilian young man, Christian Guardione.

He graduated in "Professional State High School" in Catania. He also attended graduate courses in several hotels in Switzerland, in order to improve his knowledge in the field of tourism: in Schweizerhof hotel (Zermatt); Movenpick hotel (Lausanne); Riffelalp hotel (Lausanne); and Beaurivage hotel (Lausanne).

In addition to this, he attended the "Institut de Langue Francaise" in Paris and the "Greenwich School of English" in London in order to improve both languages. More recently he has also attended the "Instituto de Lengua Hispanica" in Barcelona. Besides, he is Tour Director and at the moment he is collaborating with several Travel Agencies and Tour Operators in Sicily.

By the end of 2004, being aware of the very good experiences already gained and thanks to the wise advices of his father Carmelo, who is a licenced International Tour Director and guide, Christian decides to set up his own Company along with the other members of his family.

Be sure that he will do his best to transform your tour or excursion in Sicily into an unforgettable experience!
